### **PRICE LIST FOR STAND-ALONE TRANSFERS OF EQUITY (IN £'S)**

If you currently own a property and are looking to add or remove somebody from the title deeds and/or mortgage this is known as a transfer of equity.

If the property is or will be mortgaged, the fees and expenses incurred will be as per our Re-mortgage Price List above with the Transfer of Equity Additional Fee added. If the property is mortgaged please therefore refer to our Re-mortgage Price List in the first instance.

If the property is mortgage free and will remain mortgage free the stand-alone Transfer of Equity fees and expenses, **if we are acting for the remaining and/or new owner(s)** would be as follows:

Property Value:	Fee: Freehold Property:*	VAT:	Official Copies of the Registered Title:	Land Registry Searches:	Land Registry Fee:**	Land Registry Application Search Services Fee:	TOTAL: ***

#### **\* Leasehold transactions:**

If the property is leasehold an additional fee of £150 plus VAT will be payable to reflect the additional work incidental to checking the lease, obtaining replies to leasehold enquiries from landlords, management companies and managing agents, checking the lease meets the new lender's requirements and complying with the landlord, management company and/or managing agents post completion requirements. Please note additional fees and likely to be payable to whoever collects your ground rent and/or service charges for supplying the required information.

#### **\*\* Land Registry Fee**

The fee quoted in the table presumes the application can be submitted to the Land Registry electronically and is eligible for a 50% reduction on the full fee payable.

Some applications have to be submitted by post and will attract an increased fee. This includes new properties being registered for the first time and older properties with unregistered title deeds which have never been registered at the Land Registry. Where the increased fee applies the Land Registry fee stated should be multiplied by 2.

The Land Registry Application Search Services Fee is an administrative fee payable to one of our service providers for using their electronic Land Registry application submission tool.

#### **\*\*\* Stamp Duty**

If you are acquiring an interest or additional share in a property you may be liable to pay stamp duty. The amount payable will depend upon a number of factors, including what, if any, other property you own or have a major interest in and whether the property will be your main home or is a buy to let property.

Stamp duty is payable on the consideration paid for the additional share. This includes the value of any mortgage you are released from.

We recommend that you use the HMRC's Stamp Duty Calculator to calculate your exact liability. Here is the link: <http://www.tax.service.gov.uk/calculate-stamp-duty-land-tax/#/intro>.

### \*\*\* Searches or No-Search Indemnity Insurance

As a buyer you are deemed to have full knowledge of information contained in public records (including those held by the local authority, water authority and coal board). As the searches would have been carried out when the property was purchased and you are already familiar with the property you may prefer to proceed with a no-search indemnity insurance policy in place of searches to keep the cost down. The cost of this indemnity insurance therefore needs to be added to the total cost noted in the table above. Please refer to the table below.
