Leasehold Fee

The above fees include all work incidental to a usual **freehold** transaction. If the property is **leasehold** a leasehold fee of £295.00 plus VAT will also be payable.

Why are leasehold transactions more expensive?

Additional work is required which includes reviewing the lease and checking it meets your lender's requirements; including checking the provisions for repairs and maintenance of the building, reporting to you on the suitability of the lease and the obligations of the landlord and any management company, checking for any defective cladding issues, apportioning ground rent and services charge, negotiating retentions where service charges are based on estimates and complying with the landlord's requirements on completion. Administration fees may also be payable to the landlord and/or management company on completion.

Bank Transfer Fees

Same day bank transfers are £40.00 plus VAT per transfer. Purchase monies will always need to be sent via same day bank transfer and we will return surplus funds to your account on the day of completion by same day transfer unless you request a free BACS payment, which takes up to 3 working days to clear.

Stamp Duty Land Tax

You will also need to factor in the amount of stamp duty you will need to pay. The amount payable will depend upon a number of factors including what, if any, other property you own or have a major interest in and whether or not you are a first time buyer.

We recommend that you use the HMRC's Stamp Duty Calculator to calculate your exact liability. Here is the link: <http://www.tax.service.gov.uk/calculate-stamp-duty-land-tax/#/intro>.

Alternatively, get in touch and we will check this for you.

Infotrack Search Services Pack & Post Completion Admin Fee

As a buyer you are deemed to have knowledge of information contained in public records. The search services pack price includes searches of the local authority, water authority and coal board's public records as well as a comprehensive environmental report (includes HS2 and flood risk) at a cost of £182.70. Some properties may not require a coal authority search which will reduce the search pack price to £143.46. Occasionally additional searches may be recommended that are not included in the Search Pack Price quoted. The Search Services Pack also includes an administration charge for use of Infotrack's onboarding technology at £3.25 per person, assumes 2 buyers. The Infotrack Post Completion Administration fee is payable to our search provider for access to technology which helps to speed up the post completion conveyancing process.

What is the Perfect Portal Case Tracking App Fee?

The Perfect Portal App Fee is payable for an app which enables you to keep track of your case. Key stage updates will be provided via the App to you and those connected with your case.

Land Registry Searches

The Land Registry Searches Includes one final Land Registry priority search at a cost of £3.00, which is carried out prior to exchange of contracts to ensure a period of priority pending completion during which no new entries can be noted on the registered title, and two bankruptcy searches. Bankruptcy searches are £2.00 each and will be carried out against each purchaser and anyone else providing funds to assist with the purchase, such as a parent gifting part of a deposit.

The price quoted is therefore indicative only and is based on only one priority search being required and up to two bankruptcy searches. Additional searches may be required.

Land Registry Fee

The fee quoted in the table presumes the application can be submitted to the Land Registry electronically and is eligible for a 55% reduction on the full fee payable.

Some applications have to be submitted by post and will attract an increased fee. This includes new properties being registered for the first time and older properties with unregistered title deeds which have never been registered at the Land Registry. Where the increased fee applies the Land Registry fee stated is multiplied by 2.

Thirdfort ID & Source of Funds Check

We will ask you to submit identification documents via an app created by Thirdfort. The cost of a standard ID check is £14.95 plus vat per person. We will also ask you to complete a source of funds questionnaire via the Thirdfort app. The cost of the additional source of funds check is £9.95 plus vat.

Additional information is available on request.
