Leasehold Fee

The above fees include all work incidental to a usual **freehold** transaction. If the property is **leasehold** a leasehold fee of £150.00 plus VAT will also be payable.

Why are leasehold transactions more expensive?

The higher fee for leasehold transactions reflects the additional work incidental to checking the Lease, obtaining replies to leasehold enquiries from landlords, management companies and managing agents, apportioning ground rent and services charges on completion and negotiating retention clauses where service charges are based on estimated costs. Please note additional fees are likely to be payable to whoever collects your ground rent and/or service charges for supplying the required information.

Land Registry Documents

The amount quoted is for a copy of the registered title and title plan. Additional documents may be required at a cost of £3.00 per document.

What is the Smart Form Fee?

The Smart Form Fee is a fee payable for technology which enables you to complete and sign the standard Property Information Form and Fixtures and Fittings List electronically. Use of the technology helps to speed up transaction times. Postal forms are available if preferred.

What is the Perfect Portal Case Tracking App Fee?

The Perfect Portal App Fee is payable for an app which enables you to keep track of your case. Key stage updates will be provided via the App to you and those connected with your case.
